## Web Design

### Professional Website Design from only Â£99

At VIP Web Design we aim to offer the best value website design services in the UK and the rest of the world. To illustrate this, our starter package only costs Â£99 and includes a 2 page professionally designed website and a full 12 months web hosting. Above all, we are a friendly bunch, easy to talk to and always ready to listen. Every project is a VIP project to us! VIP Support and after sales service comes as standard. [Click here to view some of our live site designs in our web design portfolio.](#)

[Please click here to contact us now for a FREE estimate.](#) About VIP Web Design VIP Web Design is an innovative web design company based in London, with clients all over the world! Our aim is to provide you the best value web design service with a personal touch, from initial enquiry through to website design and ongoing maintenance and support of your website. To do this, we utilise the internet to its full

potential, using every resource as it becomes available, giving our customers the absolute best the internet has to offer. As such, we guarantee the ultimate in after sales service and support, thus giving you a dedicated support site, for any support you may require, help, assistance and advice, is only ever a click away. Our previous clients have been from all parts of the world and the UK including, London, Cambridge, Oxford, Paris, Bordeaux, Cornwall, Devon, Wales, England, Scotland, Italy, Germany, Turkey, Cyprus, Thailand, South Africa, Bulgaria, Russia, Poland, the list goes on... **Development** Our web development team will work closely with you to build a VIP Internet presence. We take the time to understand your goals and explain the full benefits of a web site. Whether you are targeting to sell products, generate leads, or improve customer relations, we will develop a solution suited to your needs and budget.

### RISK-FREE SERVICE

With our 30 day money back guarantee, you can relax, knowing, you will be 100% satisfied with what you can see on your computer screen, or your money back!

**Web Design Prices** Starting at only £99, for more than just a website, including a VIP approach to creating the absolute best website for your requirements, our prices remain competitive right up to large scale website designs. Even at this moderate price, we do not offer a moderate service, all our web design packages include every one of these features...

- Fully professional website design.
- 12 months free website hosting.
- FREE .co.uk Domain name.
- Webmail and email accounts.
- Superb after sales service and support.
